Sequence Listing

Please substitute the enclosed paper copy sequence listing in place of the paper copy sequence listing now on file in this application. No new matter is added by this amendment.

In The Claims:

Please cancel claim 25 without prejudice.

Please substitute each of the following amended claims for the pending claims with the same number:

1. (Amended) An isolated DNA construct comprising at least one mutated binding site for a growth factor independence-1 (Gfi-1) transcription repressor, said mutated binding site comprising a mutation which hinders or prevents binding of said Gfi-1 repressor to said site.

7. (Amended) The DNA construct of claim 1, wherein said Gfi-1 binding site prior to said mutation is greater than 65% homologous with a sequence consisting of TAAATCACNGCA (Sequence I.D. No. 2), wherein N is A or T.
